Dr. Bill Wattenburg
"Open Line to the West Coast"
KGO Radio AM 810

***"Never Let the Facts Get in the Way of
a Good Political Campaign"***

Dr. Willard H. (Bill) Wattenburg is a senior research scientist at the Research Foundation, California State University-Chico and a scientific consultant for the University of California Lawrence Livermore National Laboratory. He is a former Member of the United States Air Force Scientific Advisory Board, and a former UC-Berkeley professor of Electrical Engineering.

Since 1972, Dr Wattenburg has been the host of the very popular radio talk show "The Open Line to the West Coast" on KGO Radio AM 810, ABC-San Francisco. The show airs every Saturday and Sunday from 10 p.m. to 1 a.m. It is the most listened to night-time radio talk show in eleven western states in that time slot.

Based on his knowledge and years of experience, Dr. Wattenburg will address the solid, scientific facts that bear upon such important political issues as energy and the environment. **Be sure to come and hear this very important presentation about the scientific facts you need to know to try to keep the politicians in line!**
